

Where are the PFASs?

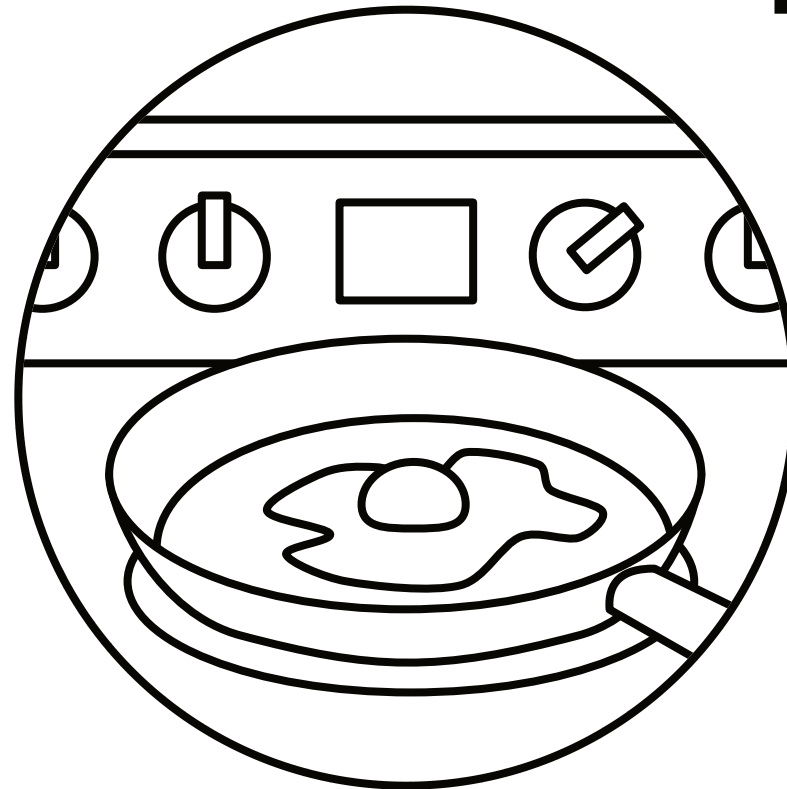

Tap Water

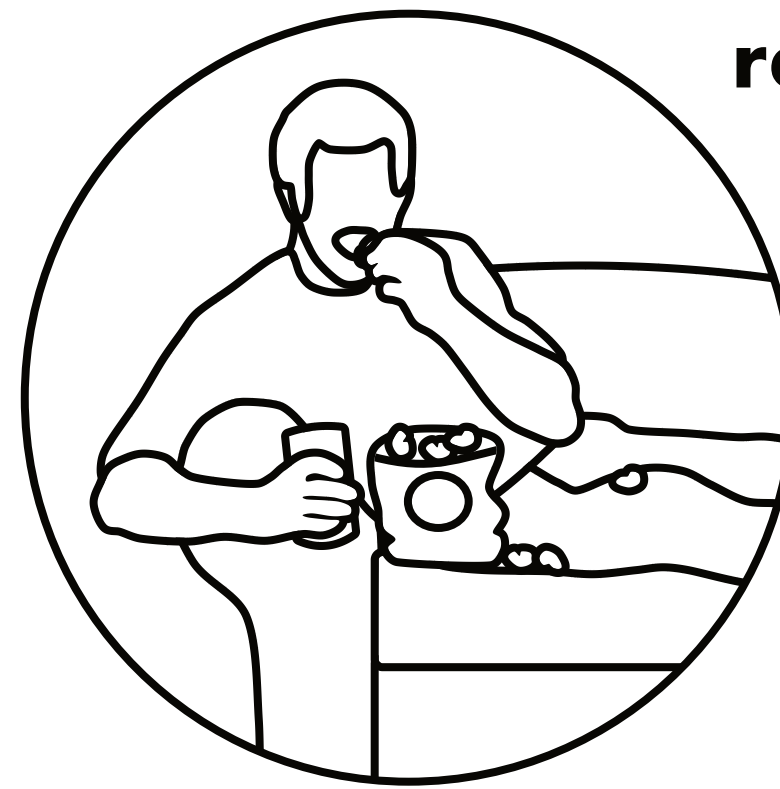

**Waterproof /
resistant tent**

STEEP
Sources, Transport, Exposure & Effects of PFASs
UNIVERSITY OF RHODE ISLAND SUPERFUND RESEARCH PROGRAM

uri.edu/stEEP

Nonstick Pans

Popcorn Bag

Be on the alert for possible PFASs when buying products promoting any of these three features: nonstick, waterproof/resistant, or stain resistant. Unsure? Check with manufacturers. Visit www.uri.edu/stEEP for further information.
